

2011-2012 Membership Guide

Registration/Types of Membership

Foundation \$15

This level is for those who are new to fencing.

- Active Start and FUNdamentals
- Covers insurance (\$5,000,000 third person liability) and registration for individuals
- Includes volunteers, club administrators and board members, school and community program participants, Learn to Fence Programs, in club training events, etc.
- Does not include any competitions or training events outside of the registered club
- This level of member will learn the basic foundation skills of fencing. Those wishing to go into the Canadian Fencing Federation Armband program by testing for Yellow will require a CFF license. Please indicate this on the registration form from your club. Or contact info@fencingontario.ca

Transition \$42.50 [includes CFF license]

This level is for those who have done the basic training and are ready to start competing outside their own club in non-point competitions, or for those who want low key fun without worrying about National points and rankings. It is also for those who want to progress through the CFF Instructional Program.

- Learn to Train/ Active for Life
- Yellow/Orange/Green Armband level
- Insurance (\$5,000,000 third person liability) and registration for individuals
- CFF license included
- Can compete at local non-point competitions such as OCCs, Invitationals (RMC team, CAR team, Foiling Around, etc.) Ontario Youth Events
- Does not include any competitions for National points
- Not eligible for inclusion in the National Rankings
- Not eligible for any Ontario funding or selection programs

Excellence \$77.50 [includes CFF license]

This level is for the serious athlete who is competing for ranking points and training to achieve excellence in the sport *Please note that your ranking is linked with your license number. This means that if you already have a license, and you register under a new license number, you will lose all your previous ranking points. If you wish to correct the error after registering under an incorrect license number, there will be fees payable to the CFF. Please see their [policy on licensing errors](#) for more information.*

- Train to Train and Train to Win
- Blue/Red/Black armband
- Insurance (\$5,000,000 third person liability) and registration for individuals
- CFF license included
- Eligible for inclusion in the National Rankings
- Entry into all competitions held in Canada and USA
- International competitions. (May need additional FIE license for some Levels)
- Eligibility for funding (eg. Quest)
- Eligibility for training programs
- Eligibility for Ontario Elite Teams, Ontario Games selection, Canada Games selection, National Team programs

Please note that you are required to purchase a membership at least 72 hours prior to a competition. You are advised to bring a paper copy of your receipt to all competitions in case you are asked to verify your membership status.
